ENTER INTO **EXQUISITENESS**

The all-new Corolla Altis Grande features a sleek new front grille, deeply sculpted bumper design, advanced new headlamps, 16" alloy rims with imported tires, and side skirts, for a futuristic design that exudes prestige and sophistication.

ENTER INTO **PRESTIGE**

The all-new Corolla Altis Grande boasts a bold new exterior design and the added benefit of advanced technology, designed to deliver an elegant and superior driving experience.

ENTER INTO LUXURY

A 3-dimensional floating interior with soft touch padding creates a luxuriously spacious, ergonomic, and prestigious environment, ensuring a lavish and peaceful driving experience to every destination.

ENTER INTO RELAXATION

Designed to balance comfort, style and design; the spacious interior of the all-new Corolla Altis Grande features premium leather package with bucket type seats, ample legroom and rear reclining seats for a supreme driving experience for both the driver and the passengers.

Split-Folding Rear Seats

With a 60:40 ratio, the rear seats can be folded down to accommodate larger items easily in the boot.

Rear Reclining Seats

Rear reclining seats ensure that rear seat passengers experience maximum comfort.

Leather Foamed Seat Corners

Soft foamed seat corners to provide maximum comfort while relaxing.

Bucket Type Front Seats

Bucket type seats with reinforced stability for comfort, also come with height adjuster on the driver's side.

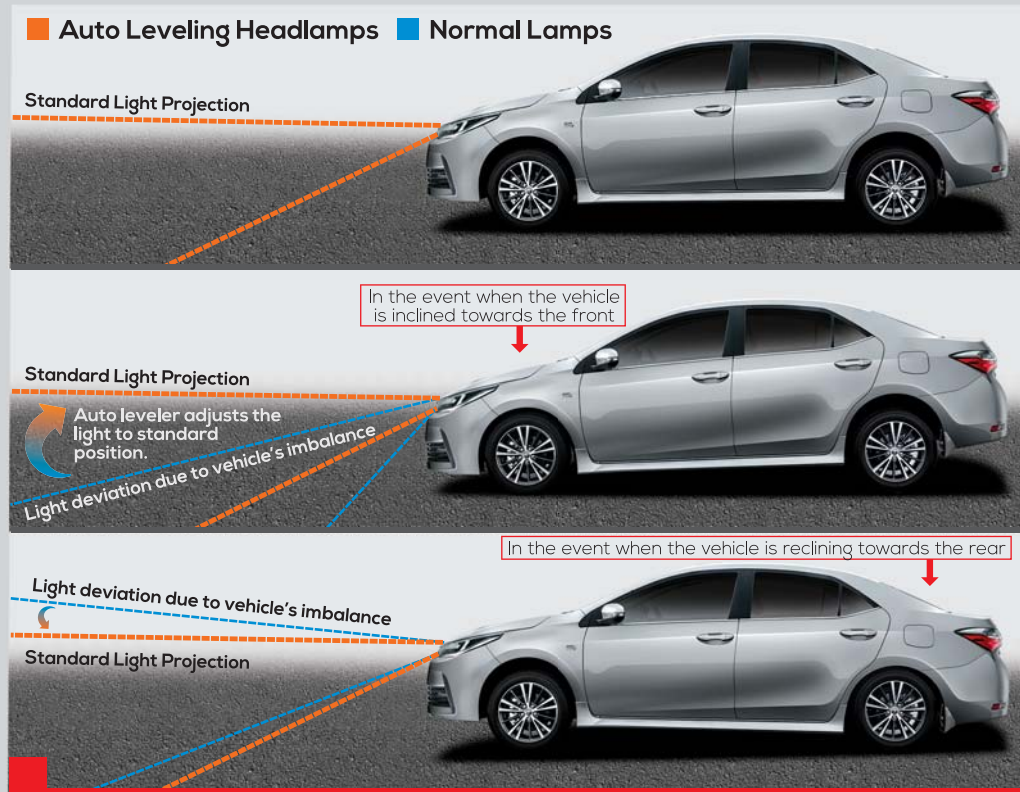

ENTER INTO **RADIANCE**

The Corolla Altis Grande's advanced new headlamps along with LED DRL exude a sleek and advanced image. Bi-beam LED enhances illumination performance while consuming less power.

DRL: Daytime Running Lamps

LED Daytime Running Lamps (DRL) make vehicles easier to spot in daylight. At the same time, the long-life, efficient LEDs allow for an even more distinctive design.

Auto leveling Headlamps

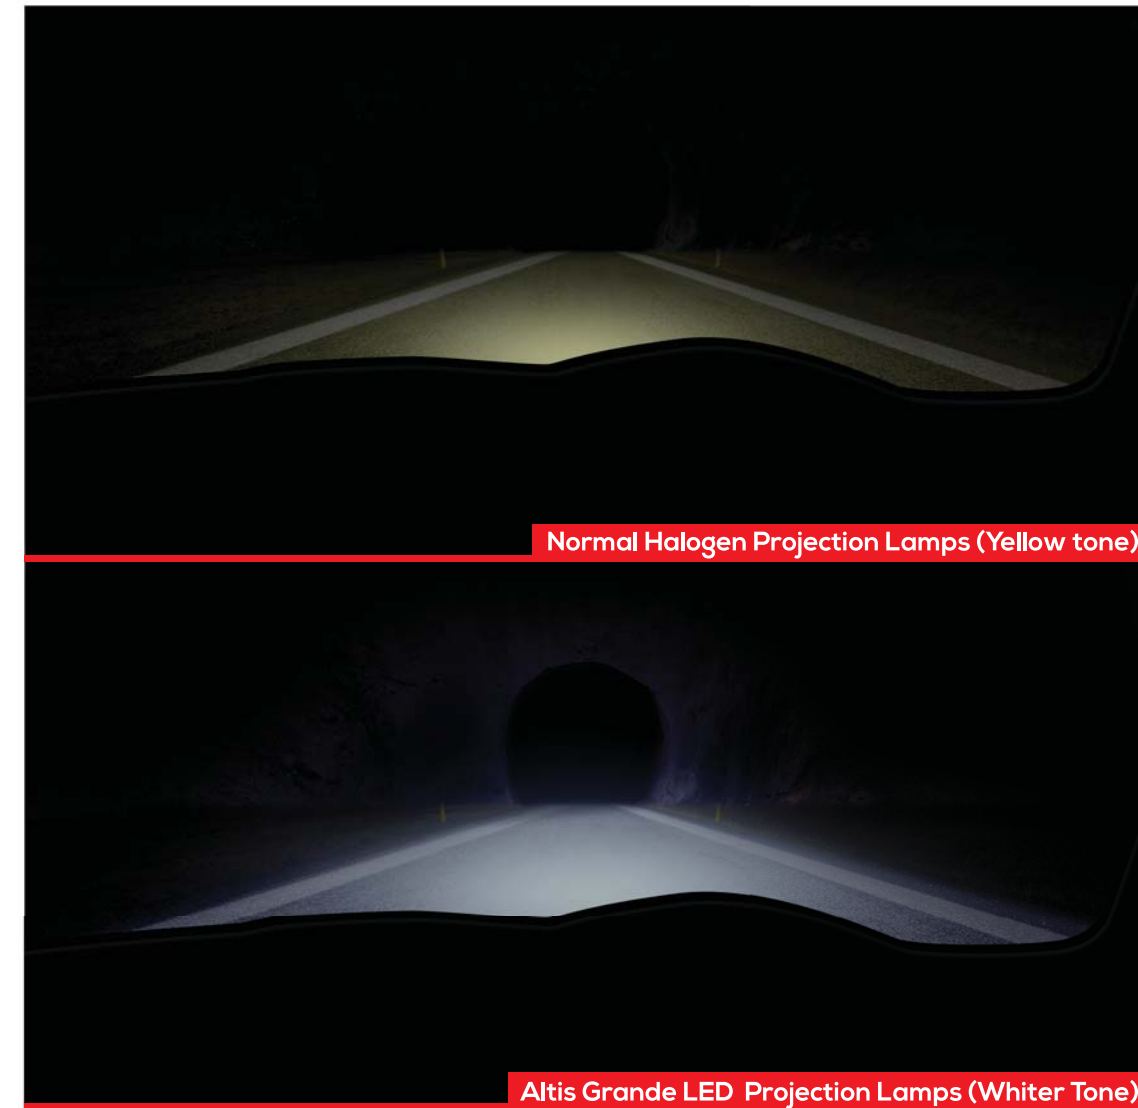

Auto leveler device adjusts the light to standard position for optimum visibility.

Low Beam

High Beam

Bi-Beam (Integrated Low and High Beam): The Bi-Beam Headlamps are the more advanced version of the headlamps and allow a single headlamp to generate both high and low beam.

Normal Halogen Projection Lamps (Yellow tone)

Altis Grande LED Projection Lamps (Whiter Tone)

LED Projection Lamps: LED Projection lamps provide a more focused and sharper beam of light. This provides brighter and intense light compared to halogen.

Front Camera

Rear Camera

My Car Application

Internet Hotspot*

ENTER INTO ENTERTAINMENT

The all-new Corolla Altis Grande's infotainment system is integrated with the latest technology to provide a truly immersive audio-visual experience. Featuring a 9" display, a built-in webcam, navigation, Wifi with Hotspot all powered by an Android operating system.

*Optional

ENTER INTO CONTROL

The all-new Corolla Altis Grande's steering wheel design combines luxurious craftsmanship with superior control for an easier and more comfortable drive. Complete with built-in audio switches, the steering wheel's ergonomic design puts Infotainment, Cruise Control, Paddle Shift, and all other necessary functions comfortably within the driver's reach for an overall enhanced driving experience.

Audio Controls

Cruise Control

MID Controls

New Toggle-Type AC Switches

ENTER INTO COMFORT

The new climate control air conditioning system in Corolla Altis Grande is equipped with toggle-type switches to ensure smooth operability and adjustment of the cabin temperature with just a touch.

ENTER INTO EXHILARATION

Equipped with fun-to-drive features such as Paddle Shift, 7 Speed Sport Sequential Shiftmatic CVT-i Transmission and Cruise Control. The all-new Corolla Altis Grande now also comes with an exciting new Sports Mode, that shifts to exhilarating driving performance.

Paddle Shift

Offers manually controlled auto transmission at your fingertips for a fun filled and sporty feel.

7 Speed CVT-i Transmission

Provides an optimal driving force, which is efficient with seamless automatic shifting during drive.

Sequential Shift

Sequential Gear Shift allows the standard 7-speed CVT-i to be shifted manually to give you the pleasure of manual mode.

Sports Mode

In addition to the quietness and fuel efficiency benefits, newly added Sports Mode alters CVT-i control for a more responsive and direct feel.

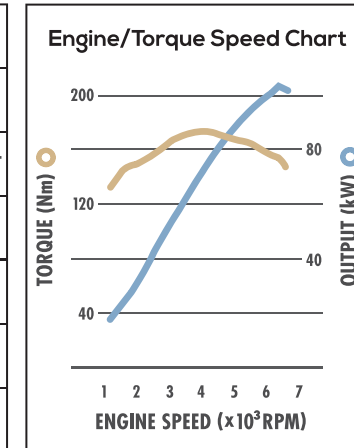

Aerodynamic

High-speed stability fins positioned at the wing mirrors and rear lamps reduce drag at highway speeds.

Engine Type	2ZR-FE
Exhaust Emission Standard	EURO-2
Transmission	7 Speed CVT-i and 6 Speed MT
Fuel Technology	SFI with Dual VVT-i
Displacement	1798cc
Max. Output	103 kW (138 HP)/6400 rpm
Max. Torque	173/4,000 (Nm/rpm)

ENTER INTO PERFORMANCE

The all-new Corolla Altis Grande's 1.8L Dual VVT-i engine with Acoustic Control Induction System (ACIS) is designed to maximize efficiency, increase power and performance.

ENTER INTO PEACE OF MIND

The Corolla Altis Grande is equipped with an innovative and advanced Smart Entry System, designed to lock and unlock with convenience. The Push Start System is a convenient piece of technology that lets you start the engine with just the push of a button.

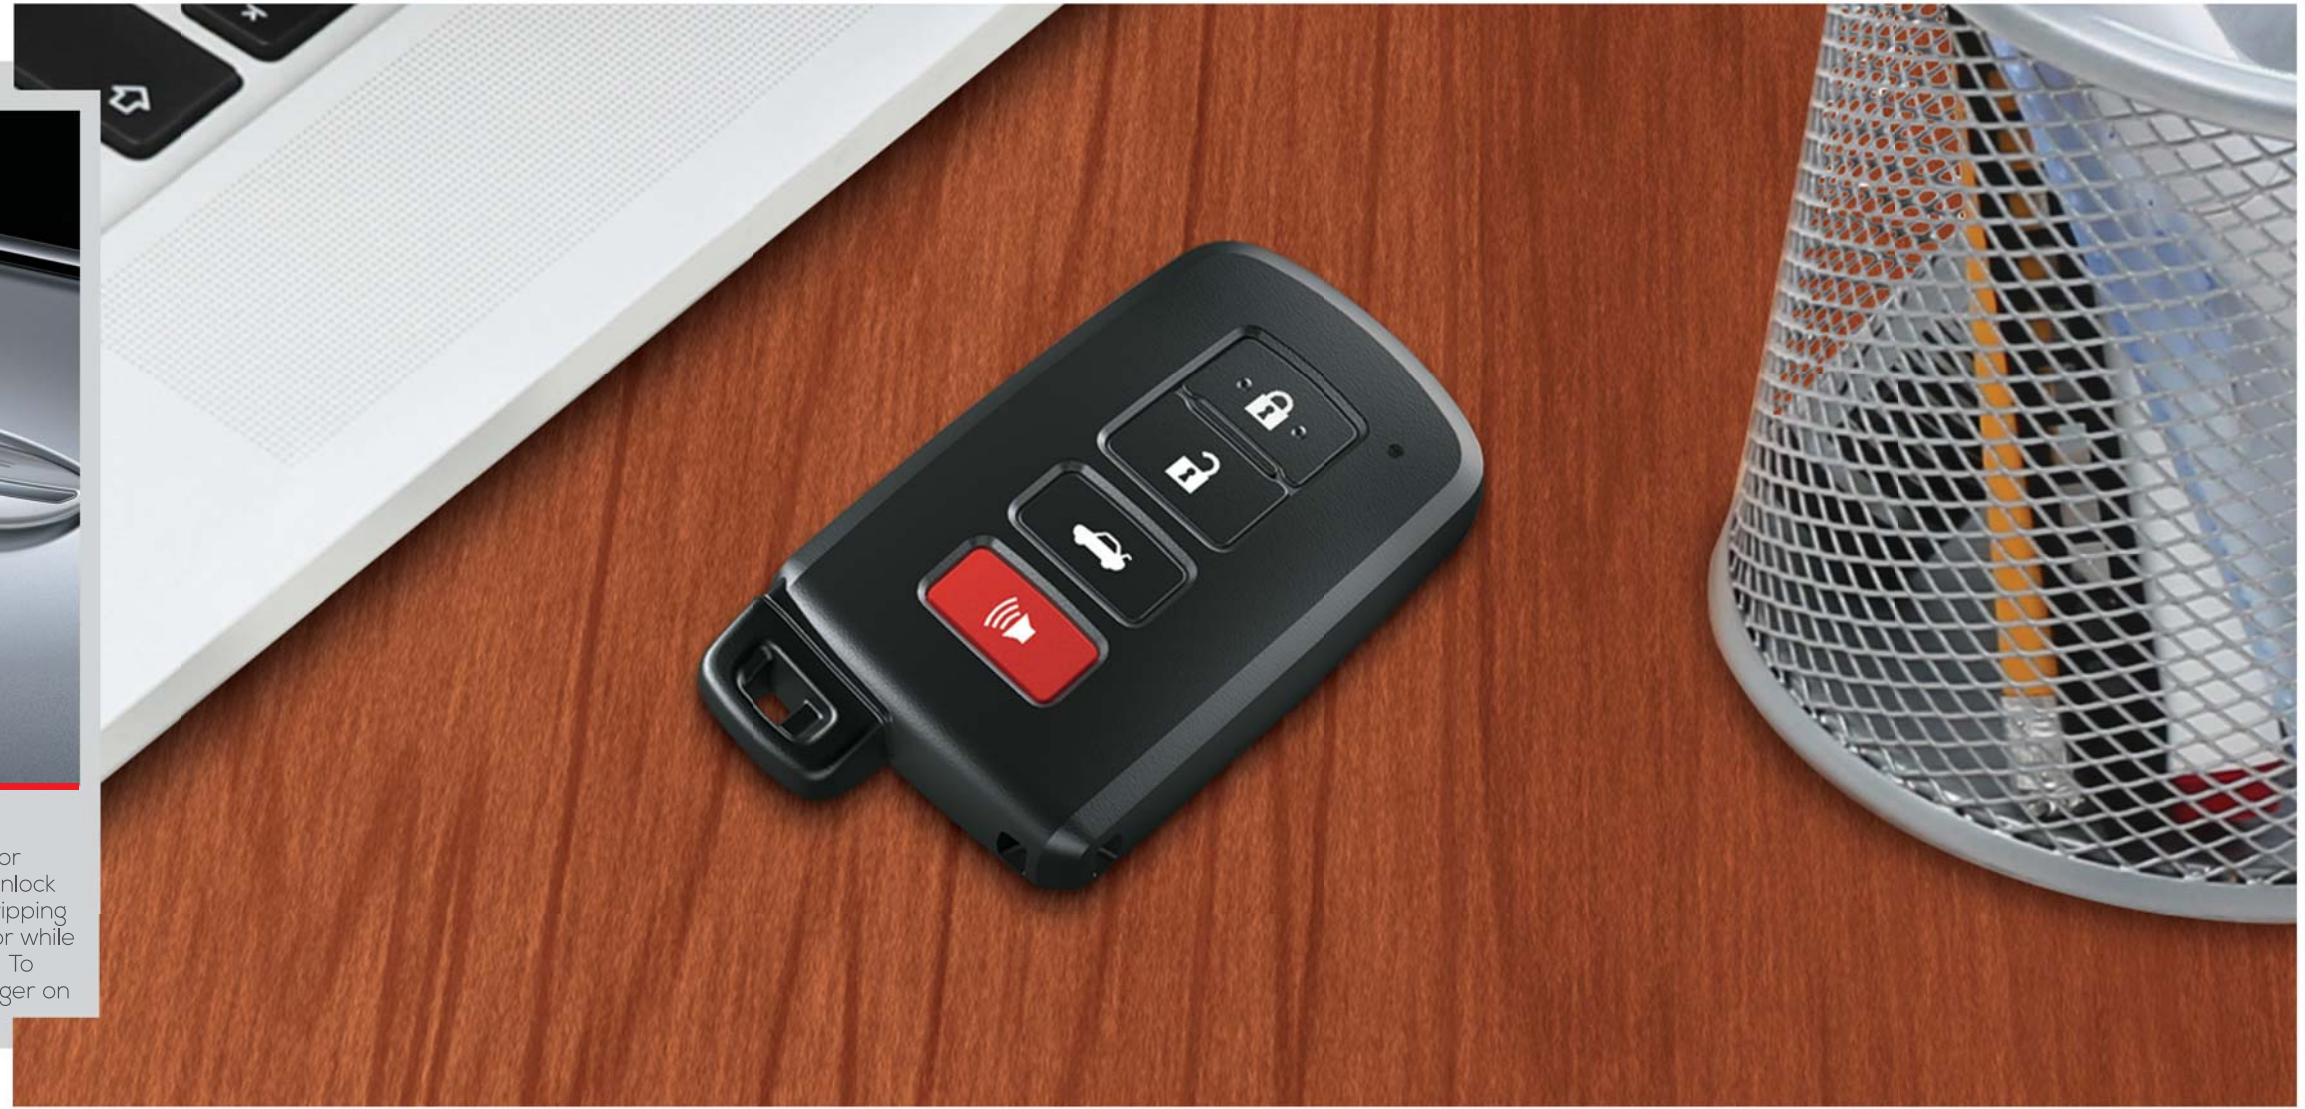

Smart Trunk Opener
Touch button in the trunk allows you to unlock while smart key rests in your pocket.

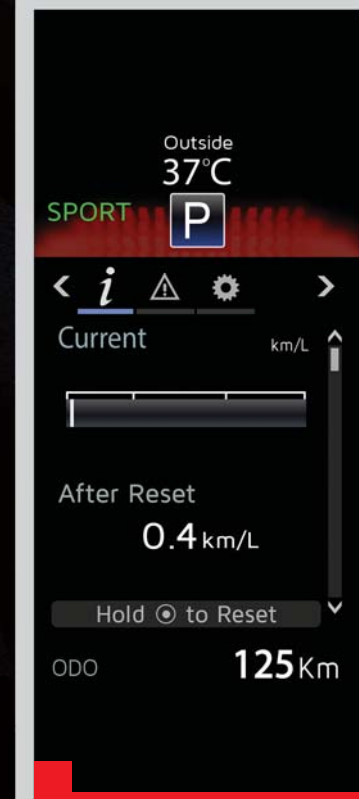

Push Start
To start the engine, simply push down on the brake pedal then press the start button while the key is in range.

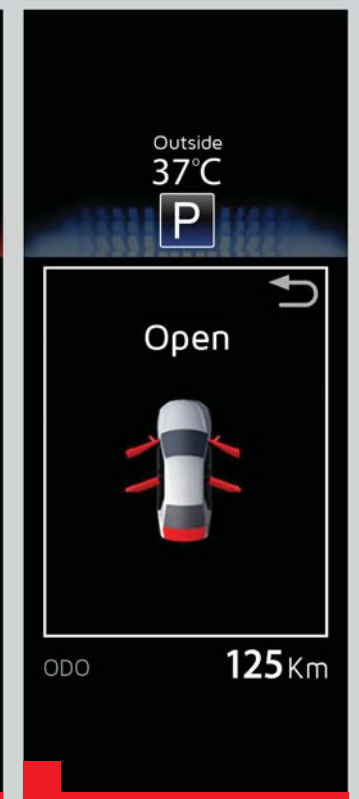

Smart Door Handle
The Smart driver's door handle allows you to unlock the doors by simply gripping the door handle sensor while the key is in the range. To lock just place your finger on the lock sensor.

Sports Mode

Door Open and Close Alert

Eco Monitor

ENTER INTO AWARENESS

The improved Optitron meter is equipped with 4.2 inch TFT colour Multi Information Display which is designed to provide information about the vehicle to the driver at a glance including driving range, fuel consumption and Eco-monitor.

ENTER INTO SAFETY

The Corolla Altis Grande is equipped with Best-in-Class safety specifications which includes Dual SRS Airbags, ISOFIX Child Seat Anchors, Front Seat Belts 3 Point ELR (with Pretensioner and Force Limiter) and GOA Body with Reinforcements.

ISOFIX Child Seat Anchors

ISOFIX is an international standard for fitting a child seat safely and simply. The child seat is attached to the vehicle's body securely using mountings located at the base of the seats of the car.

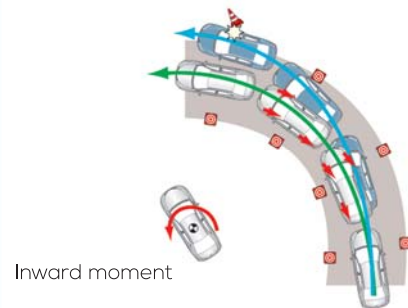

VSC

Helps the driver to control skidding when swerving suddenly or turning on slippery road surfaces.

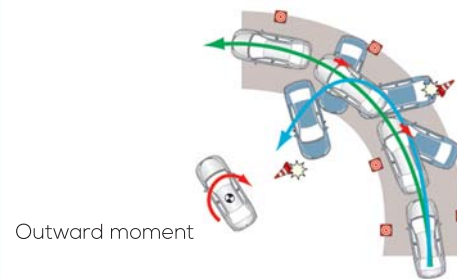

TRC

Helps to maintain the drive power and prevents the wheels from spinning when starting the vehicle or accelerating on slippery roads.

Front wheel skid control

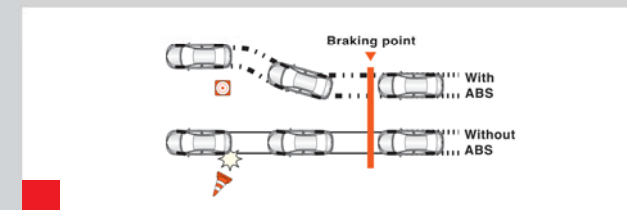

Rear wheel skid control

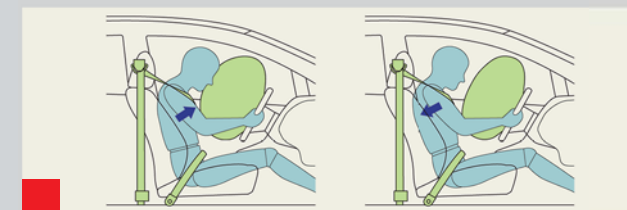

GOA Body with Reinforcement

A collision safety body (GOA) consisting of an impact absorbing body structure and high integrity cabin pursues the highest collision safety performance.

ABS with EBD and BA

ABS helps prevent wheel lock when the brakes are applied suddenly, or if the brakes are applied while driving on a slippery road surface. Electronic Brake Distribution (EBD) helps ensure excellent vehicle stability and contributes to the realization of excellent braking performance. Brake Assist (BA) helps generate an increased level of braking force after the brake pedal is depressed when the system detects a panic stop situation.

Front Seat Belts: 3-Point ELR with Pretensioner and Force Limiter

The pretensioner helps the seat belts to quickly restrain the occupants by retracting when vehicle is subjected to certain types of severe frontal collision. Force limiters mitigate the impact applied to the chest, thus contributing to achieving excellent occupant restraint performance.

Dual SRS Airbags

The SRS (Supplemental Restraint System) airbags inflate when the vehicle is subjected to certain types of severe impacts that may cause significant injury to the occupants. They work together with the seat belts to help reduce the risk of death or serious injury. They can help protect the head and chest of the driver and front passenger from impact with interior components. SRS front airbags do not generally inflate if the vehicle is involved in a side or rear collision, if it rolls over, or if it is involved in a low-speed frontal collision.

ENTER INTO LAVISHNESS

Auto Reverse Link Mirror

With auto reverse link mode, the outside rear view mirrors will automatically angle downwards when the vehicle is in reverse gear mode, in order to give a better view of the ground.

ENTER INTO VARIETY

Personalize your Corolla Altis Grande to match your own style with Toyota Genuine Accessories. Choose from a variety of customization features to enhance the look and style of your vehicle.

Fog Lamps' Chrome Covers

Fog Lamps' Chrome Covers add a taste of grandeur and elegance to your vehicle.

Fog Lamps' Chrome Garnish

Complimenting and blending with the front exterior of your car, the Fog Lamps' Chrome Garnish gives a touch of sophistication and splendor.

Front Lower Chrome Garnish

Adds a touch of class with a specially designed front chrome-plated garnish.

Rear Lower Chrome Garnish

Compliments the extra detail on the lower trunk edge, enhancing the powerful rear design.

Side Visors

Protective side visors absorb sunlight and reduce wind noise while giving an executive and luxurious look.

Body Side Moldings

Colour matched body side moldings with chrome inserts add to the elegance of the car while protecting it from door swings and other collisions.

Side Mirrors' Chrome Garnish

Elegant Side Mirrors' Chrome Garnish enhances the sleekness and redefines the appeal of the car.

Legroom Illumination

Convenient illumination, in the spacious legroom areas, adds a sporty look to the interior, while allowing for easy visibility of the cabin floor.

Scuff Plate/LED Scuff Plate

Corolla-branded, Stainless Steel Scuff Plates protect door sills from scratches while adding a touch of elegance to the interior.
